**D. The Circumstances Surrounding the Preparation of the Insert Do Not Corroborate its Accuracy.**

**1. Agent Sculimbrene Had No Independent Recollection of the Interview with Mr. Nussbaum or Preparing the Insert.**

Agent Sculimbrene had no independent recollection of conducting the interview with Mr. Nussbaum or preparing the insert, much less the details of the conversation.<sup>107</sup> Agent Sculimbrene believed that the statement he attributed to Mr. Nussbaum was accurate, because he would have had no reason to report it unless Mr. Nussbaum made the statement.<sup>108</sup>

Agent Sculimbrene explained that there were no underlying notes because he routinely did not take notes when interviewing associates of the appointee during a background investigation.<sup>109</sup> He added that if the interview was conducted in his office or by
